

Sewing Instructions

Chemo Bag Cover

Cut 2 pieces of fabric 11 inches long and 9 inches wide, Seams are 1/4 inch.

1. Fold top and bottom edges of fabric (approx. 1/4 in) toward the wrong side of fabric. Iron and sew. Repeat for second piece of fabric.

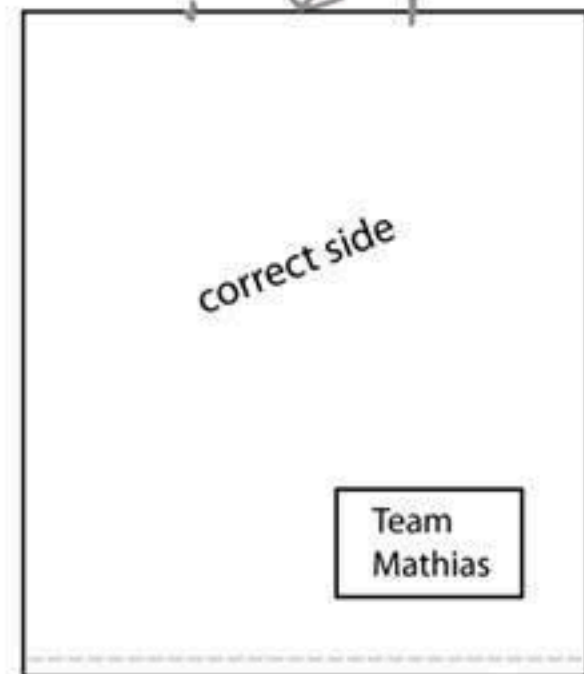

4. Sew together, leaving a (approx) 2 1/2 inch hole on top and leave the bottom open.

2. On one of the two pieces of fabric, sew the label on the bottom right corner. (Optional)

5. Turn correct side out

3. Match both pieces of fabric with the correct sides facing each other and pin together.
